ABOUT THE EVENT

Magnus Group takes pride to announce “4th Edition of Cardiology World Conference” Hybrid Event which is held during **September 18-20, 2023** scheduled at **Valencia, Spain**.

This Hybrid mode allows you to participate as in-person in Valencia, Spain or Virtual from your home or work. The global colloquium will highlight the theme “*Revealing Innovations in Cardiology for a Healthier Heart*” and it aims to accelerate scientific discoveries and major milestones in the current situation, trials, and advances in cardiology research and related fields.

Gene based medicine; Device therapy and innovative cell are among the innovations that are part of a technological revolution in cardiology. These cutting-edge technologies represent the start of a technological revolution in cardiac patient care and will play a key role in clinical practice.

The two-day worldwide summit will elucidate the recent trends and advancements in the field of cardiology. We cordially invite eminent researchers, cardiologists, cardiac and cardio-thoracic surgeons, healthcare professionals, students from medical schools, professors, nurses, scientists and business professionals to discuss Heart Diseases, Clinical Cardiology, Nuclear Cardiology, Diabetes and the Heart, Sports Cardiology, Cardiac Surgery, Cardiac Nursing, and other topics under a solitary rooftop for a brief but intense period of time.

Cardio 2023 will feature a dedicated forum for keynote sessions, oral and poster presentations. With people from all over the world focused on discovering a few answers in the field, this is your finest chance to meet and collaborate with the most dedicated and distinguished people from medical centres, universities, heart associations, and top-notch cardiac experts.
